

Health Department Needs Volunteers

Posted by [TBN](#) On 01/21/2009

St. Mary's County Health Department needs several people who would like to volunteer to join our team in protecting and promoting the health of St. Mary's County citizens.

Volunteers are needed three or four hours a week for scanning records. Training will be provided. For those people who are not interested in working in an office setting, volunteers are also needed to transport citizens to doctor appointments. A valid driver's license and good driving record are needed.

For more information contact Cindy Spalding, volunteer coordinator at (301) 475-4328.
