

## Local Technician Receives Top Recognition

Posted by [swagstaff](#) On 02/17/2015

**Waldorf, MD** | February 2015 – Waldorf Ford recognized Natalie Vakas who has achieved Senior Master status from Ford Motor Company and Waldorf Ford.

Ford Motor Company's Masters Program, established in 1993, recognizes the technical training accomplishments of Ford and Lincoln dealership technicians in the United States. Technicians can earn the designations of Master Technician, Senior Master Technician, 10-year Master Technician, 10-year Senior Master Technician by completing Ford technical training courses. Master Technicians receive a formal letter of acknowledgement and Senior

Master Technicians receive a pewter trophy and a plaque acknowledging their achievement. "As vehicle technology progresses, it requires increased levels of knowledge and skill for technicians to effectively complete advanced diagnostic and repair operations," Greg Basiliko of Waldorf Ford. "Earning this designation from Ford is no small feat and demonstrates the commitment to fulfill our customers' expectations that their vehicles are repaired by highly-skilled, factory-trained technicians. We are proud of Natalie's work and very glad she is part of our team."
