### To the Editor:

This letter is addressed to all residents of St. Mary's County. The purpose of this letter is to ask for your help and support in sponsoring the St. Mary's County Crime Solvers, Inc., in fighting crime in the County.

St. Mary's County Crime Solvers, Inc. is a non-profit organization serving the St. Mary's County community through a partnership with the St. Mary's Sheriff's Office to solve crimes committed in St. Mary's County. Crime Solvers is comprised of volunteers whose goal is to educate the community about the mission and successes of the program as well as to solicit donations and host events to obtain funds for future rewards.

Crime Solvers provides rewards for anonymous tips of information which lead to the arrest of criminals in St. Mary's County. St. Mary's County Crime Solvers also provides funds to the local high schools as well as the middle schools to pay for anonymous tips that lead to the arrest of those committing crimes in the schools.

Crime Solvers does not receive any taxpayer dollars to help in this effort from the Federal, State or County Governments. All money is raised through Crime Solvers' fundraising efforts and donations from businesses and the public. Donations from the public and businesses in St. Mary's County have been minimal.

The St. Mary's County Crime Solvers needs you to help us serve you and the community better! Donations are desperately needed to continue the partnership with the Sheriff's Office and to assist us in being able to continue to provide funds to the schools and to be able to provide a more substantial reward for anonymous tips.

As a sponsor, you can be assured that you will be doing everything you can to keep the community safer and to bring to justice individuals wishing to disrupt our way of life. Every donation is critical. Please help make St. Mary's County a safer place to live and work.

Donations should be made to St. Mary's County Crime Solvers, Inc., and mailed to P.O. Box 221, Mechanicsville, MD 20659. The St. Mary's County Crime Solvers, Inc., is a 501©(3) charity organization and the full amount of your donation is tax deductible to the extent of the law since no goods or services were provided you in relation to your contribution. Thank you for your support.
