Hollywood, MD - I have to admit, I haven't watched season 5 of Game of Thrones. So I might be unprepared for season 6.

I have watched most of seasons 1 through 4, and re-watching the series only makes my heart break again for House Stark. Why did Ned have to be so proud? Why did Catlyn abduct Tyrion?

Also, why did Oberyn Martell have to die?

To bide the time between now and next week, here are some [GOT infographics](#).

A visual guide to the relationships within the series:

With the next three, it's all about perspective.

I never would have thought that New York was bigger than Kings Landing.

A transit map of the known GOT world, as created by [Michael Tyznik](#).

And a close up of the Westeros:

And if you ever wanted to [learn](#):

I may be a fan of the Starks, but my favorite Lannister character is a tie between Cersei and Tyrion. They're so moody and conniving. Who are your favorite characters?

I've only read the first book of the series, but I have A Clash of Kings through A Feast for Crows waiting on the book shelf for me. Do you prefer the book or the televised version of GOT?

I'm looking forward to revisiting the entire series, and continuing with season 6 April 24. Also, check out this video.
