

April 29 Horoscope

Posted by [Jacqui Atkielski](#) On 04/29/2016

ARIES: Today you might find yourself hosting an impromptu social event and more people could show up than you initially counted on, Aries. Don't worry, the party should be enjoyable for everyone even if the place is a bit crowded. The more, the merrier! Your visitors can look out for themselves. Among the guests might be an attractive, interesting person who could shape up to be a potential romantic partner. Relax and enjoy your day.

TAURUS: A festival, rally, or other mass event centered on a social, ecological, or political issue could occur today in your community, Taurus. You could well decide to attend in the company of a romantic partner, and maybe a group of friends, too. This event could prove exciting for you, although some of what you learn there might be unsettling. Take a notebook and plenty of pens, you'll want to keep a record.

GEMINI: Matters in your career should be going very well for you today, Gemini. A sudden change regarding your work could catapult you into a position you've been hoping to reach for a long time! A rise in income could result. You've worked hard and done very well, so what may seem a lucky break to others is actually the result of determined effort on your part. Enjoy your success, and make the most of it.

CANCER: A desire to expand your horizons could have you and possibly a romantic partner considering returning to school for an advance degree, Cancer. The school you're considering, however, might be located in another state or even a foreign country. As a result, you and your beloved may have some intense conversations over the next few days. Following through with your desire could require some careful planning.

LEO: Some new ideas, from a dream or vision, for expanding your horizons on some level could come to you today through an unexpected source, Leo. If an idea does come through a dream or flash of insight, don't write it off as crazy. because it probably warrants some careful consideration. Research is definitely called for, and possibly consulting with people in the know. Think about it!

VIRGO: Ideas for a new enterprise, including a party, a vacation, or a new business, could have you spending a lot of time on the phone today, Virgo. You'll need to consult with people who know about what you want to do and lay the groundwork for the enterprise. Some of what you hear may be confusing, don't be afraid to ask for an explanation. Go to it!

LIBRA: Have you been thinking about getting fit by investing in some exercise equipment? Today's the day to go and get it. Don't be surprised if everyone you know all want to come over and try it out. Your health and fitness are very much on your mind right now, so you might also want to pick up some books on whatever discipline interests you the most.

SCORPIO: Your curiosity and creative energy may be stimulated today by information you receive from books, documentaries, or conversations with people familiar with the field you're exploring. As a result, Scorpio, you could come up with an innovative project that keeps you and colleagues busy for a long time. But don't worry, this enterprise should be full of surprises and anything but tedious. Go to it!

SAGITTARIUS: A visitor could come to your door today with some interesting and useful information, Sagittarius. It might involve anything from stock market trends, to a forthcoming wedding, to occult and metaphysical matters. Whatever it is, you'll find it captivating. You might sit and listen to your guest for quite a while. By the time they leaves, your mind may well be spinning. Take a walk to clear your head or you'll be awake all night

CAPRICORN: Today your relationships with just about everyone should be going very well, Capricorn. Your communication is good, and your ability to see the other person's point of view is clearer than usual. This might be a bit disconcerting, as it could conflict with your viewpoint. Bear in mind that you don't have to agree with others to learn from them. Enjoy your day.

AQUARIUS: Relations with colleagues on the job could be very cooperative today because you're about to complete a project of some kind that could result in higher income for everyone. Communication should be open and honest, and for once you'll probably be able to reach everyone without having to leave any messages. Go with the flow, and all should be completed successfully. Onward and upward, Aquarius!

PISCES: Friendships and romantic bonds should provide a rich source of support and good companionship today, Pisces. Conversation is likely to be light, covering general matters like current events and the weather, but this might be just what you need right now! Someone could introduce you to some new friends from far away who have some intriguing news of their own. This should prove a light, restful, and altogether very pleasant day.
