

May 5 Horoscope

Posted by [Jacqui Atkielski](#) On 05/05/2016

ARIES: A friend might be feeling a little depressed today and need some cheering up. Group activities with friends could help them and you, Aries. A long-term goal may finally be reached, which justifies celebration. Being with a group could take up a lot of your effort, take care not to get too tired

TAURUS: Important career matters may need to be considered thoroughly today, Taurus. Whatever tasks you need to tend to could require more effort and concentration than you think. Avoid sinking into a gloomy mood. You'll probably accomplish whatever it is you're hoping to do.

GEMINI: Today you might find that a long-term dream finally comes true, Gemini. A practical and methodical approach to arranging the details for this dream should make it seem that much more real to you. However, plan carefully so you don't have to work more than what is necessary.

CANCER: Some gloomy dreams could come your way tonight, Cancer. And they can affect you while you're awake if you let them. Try writing down the dreams to make it seem less real. Are you depressed about money? Today isn't a good day to make investments or start a new business. Wait a few days to attempt anything along those lines.

LEO: Are you having communication issues with a displeased family member, Leo? Maybe you feel like you've done something to offend this person. More than likely you haven't, and the best way to handle this is to encourage that person to communicate with you. If there's no response, wait a day or so and ask again. The gloomy mood will pass, so don't go crazy over it.

VIRGO: A promised promotion or raise in salary could be in your thoughts, Virgo. You should visualize the next steps, anticipate tasks that take more effort and concentration, and try to not panic. Don't push yourself so hard. Wait a few days until the planets relax a little and just do what you need to do, just not too much of it. You'll be successful in the long run.

LIBRA: Today could be the day to wrap up a project that takes a lot of mental effort. Plans to spend some time with close ones may not be quite what you'd hoped, Libra. Your friend could be in a gloomy mood. So treat them to a relaxing evening, like a concert or funny movie. Enjoy and release that tension.

SCORPIO: A gloomy guest could arrive today, Scorpio. They probably need some cheering up. Do the best you can, but don't cook. The results of your efforts might not be all that exciting. You can get fast food and take your friend to a movie or concert. Help your friend and yourself feel better about today.

SAGITTARIUS: Don't take depressing news at face value today, Sagittarius. It's probably not be as bad as it seems. Check the facts before you overthink it. Today is not a good day to visit friends or run errands in your community, as traffic will probably be a nightmare. Books will bore you, so try to entertain yourself with your favorite movie or television show.

CAPRICORN: You're going to be in a gloomy mood today over money matters, Capricorn. There's nothing to cause the sour mood, because your business affairs should be going well. You're doing better than you think. A word of caution though, try not to tempt yourself with impulse buying. Nobody likes having to return items they can't afford.

AQUARIUS: Are you feeling low today, Aquarius? It doesn't seem as if there's any real reason for it. You may just have slept on the wrong side of the bed and need more sleep. Expect good news from far away to cheer you up in the afternoon, because you might receive an invite to dinner with a friend. You should be feeling better by this evening.

PISCES: Old memories and phobias from the past could affect you today, Pisces. Do you feel depressed despite not having a reason? An event in your life has brought these feelings near the surface without revealing the source. You should write down any disturbing dreams you may have had lately, because they may offer you a clue about what is getting you down. Meditation or free association could also bring the release you need.
