

## Calvert Hospice thanks community for support

Posted by [TBN Editor](#) On 02/01/2017

### To the Editor:

Because of the generous spirit of numerous businesses, social clubs and goodhearted individuals throughout our county, Calvert Hospice received over \$42,000 in proceeds raised through creative events and promotions throughout 2016. We cannot begin to adequately express our appreciation for the time, energy, effort, and true caring that went into raising these donations for us, all of which went to support the patients at our Burnett Calvert Hospice House. Knowing community members consider us worthy of their support makes all the difference in the world. Their efforts motivate us to work even harder to better serve our patients and their families, as well as enable us to further develop our current programs and create new services for Calvert County.

And so we'd like to say thank you to the following Calvert Hospice supporters who helped make 2016 a very special year: Chesapeake Market & Deli, Asbury-Solomons, Peebles, Poker Run, Cozzens Construction, Chesapeake Beach Fastop, Crops for Hospice, Blue Brush Art Studio, The Brick Wood Fired Bistro, Tri-County Cruisers, Chesapeake Community Chorus, Calvert County Bar Association, Unique Boutique, Chesapeake Grill, Greene Turtle, Roy Rogers, La Tolteca, Mamma Lucia, Dream Weaver, Chesapeake Village Community, Abner's Restaurant, Chipotle, Calvert County Sheriff's Office, Chesapeake Bounty, Exelon, Walton's Welding, and Nick's of Calvert.

These fundraisers are a true gift and have a tremendous impact on our ability to ensure that the Burnett Calvert Hospice House will remain a reliable resource for our county. We remain deeply committed to honoring this support by providing compassionate and expert end-of-life care throughout our community so that patients and their families can "make the most of every moment."

**Jean Fleming, Calvert Hospice Executive Director**

**Claire Piason, Calvert Hospice Director of Development**
