

## DUI checkpoint on Indian Head Highway set for Thursday night

**PG COUNTY, Md.** - This Thursday, the Prince George's County Police Department will conduct a sobriety checkpoint on Indian Head Highway. The targeted effort will be led by our Special Operations Division and is one of many tools we are using to enhance safety on this heavily-travelled roadway.

Since January 1, 2019, officers have arrested 10 people for driving under the influence and issued more than 3,000 citations to drivers on Route 210. That is more than 3,000 citations in just 37 days.

Please never drive while under the influence. The consequences are not worth the risk.
