DUNKIRK, Md. - On Feb. 9 at 12:17 a.m., Dunkirk VFD Squad 5 was alerted to an accident with entrapment at Route 4 & Talbot Road (Anne Arundel 9-81A Box).

Squad 5 arrived first on location and found an SUV down and embankment, pinned against a tree on the driver side. The five-man crew stabilized the vehicle prior to removing the drivers side door and completing a modified dash roll to extricate the driver.

The patient was transported to a local trauma center.
