

\$60,000 raised for Calvert Hospice

Posted by [Cyn](#) On 09/20/2019

Prince Frederick, MD -- Four years ago, Jerry and Joy Cozzens of Cozzens Construction held a small fundraising event for Calvert Hospice featuring an Eagles tribute band, the Long Run, at their home.

Each year since, the event has grown popularity and in proceeds.

In 2018 the event outgrew their home and took place at Running Hare Vineyard, raising over \$45,000 for Calvert Hospice.

This year's event, featuring Zoso, a Led Zeppelin tribute band, and Shelby Blondell raised over \$60,000.

General admission tickets were available for \$29, or guests could purchase the VIP experience for \$250 and enjoy a private reception and performance from the band. The evening featured live and silent auctions and opportunities to donate to Calvert Hospice's mission of compassionate care for the seriously ill and their families in the community.

Calvert Hospice thanked the Cozzens family and everyone who attended their events and donated generously. These concerts have raised nearly \$135,000, which has had a tremendous impact on Calvert Hospice's ability to expand its programs that are available to all residents of Calvert County.
