

## Pregnancy Resource Center joining #GivingTuesdayNow

Posted by [janet](#) On 05/01/2020

**Waldorf, MD** - The Catherine Foundation Pregnancy Resource Center is responding to meet the needs of pregnant women and their families by joining **#GivingTuesdayNow** for a Community Day of Giving and Unity on May 5, 2020.

The Catherine Foundation has helped more than 36,000 families in the Southern Maryland area since 1983. Last year, the center provided over \$65,000 in services and \$80,000 in material assistance free of charge to the recipients and at no cost to taxpayers.

The economic decline has created a sudden, unprecedented demand for material assistance that is depleting the inventory of baby care essentials. Social distancing has forced the cancellation of an annual fundraiser that usually brings in tens of thousands of dollars needed to deliver our services and supplies.

Those interested in donating to the Catherine Foundation's campaign for **#GivingTuesdayNow** can visit <http://catherinefoundation.org/emergency-relief>

The campaign is active now, so you can make a donation today.
