

## Sheetz in Great Mills Closes After Employee Positive for COVID-19

Posted by [TBN\(Staff\)](#) On 06/26/2020

**GREAT MILLS, Md.** - An employee at the Sheetz in Great Mills (20760 Old Great Mills Rd, Great Mills, MD 20634) has tested positive for COVID-19. We're sharing this information and the below statement to alert the local community as we all work together to fight against the spread of this pandemic.

**Please find below a statement from Nick Ruffner, PR Manager at Sheetz:**

"Sheetz was informed this morning that an employee at our store location on Old Great Mills Road in Great Mills, MD, has tested positive for COVID-19. Our top priority is the health and wellness of our customers and employees. This employee has not worked at this store location since June 17, 2020, and according to our on-going protocols, this store has been conducting daily cleaning, sanitization and disinfecting. **However, due to expected low staffing at this store, it will be closed for the time being.** We will continue to put the health and well-being of our customers and employees first as this unprecedented health crisis continues."
