

Appointment-Free COVID-19 Testing Available in Lexington Park

Posted by [TBN\(Staff\)](#) On 06/29/2020

LEONARDTOWN, Md. – The St. Mary's County Health Department (SMCHD) is now offering daily appointment-free COVID-19 testing, **Monday through Friday from 8:00 a.m. – 3:00 p.m. at the SMCHD [Harm Reduction Program Office](#), located at 46035 Signature Lane in Lexington Park, MD 20653** (co-located with the U-Haul Moving & Storage of Lexington Park). Community members may walk up for testing, parking is available. If you need assistance or any accommodations, please contact the Harm Reduction Program Office at (301) 862-1680. No prior test order is required.

If you have health insurance coverage, please bring your insurance card with you to the testing site. Uninsured community members are welcome, also. Insurance coverage is not required and testing is provided free of charge (no out-of-pocket cost, co-payment, co-insurance, etc.).

COVID-19 testing requires a swab to be inserted into the back of the person's nostril for several seconds. Most individuals experience minor discomfort at most. All tested individuals will receive information with further instructions at the test site and should continue to self-isolate at home while waiting for results, which should be available within approximately two to five days.

Please visit the St. Mary's County Health Department's website for local COVID-19 updates, data, and information at www.smchd.org/coronavirus or call the COVID-19 Community Hotline at 301-475-4911 (Monday – Friday from 8:00 a.m. – 5:00 p.m.) to get your questions answered.
