

Clean up crews on the scene of an early morning oil spill in Solomons

Posted by [TBN\(Staff\)](#) On 07/14/2020

Update: Spill is contained to a corner area in the harbor.

SOLOMONS, Md. - On Tuesday, July 14, 2020 at approximately 6:50 a.m. Solomons Response Team, Maryland Department of Natural Resources and the Coast Guard responded to the harbor across from the Tiki bar in Solomons for a reported oil spill.

A concerned citizen spotted the spill and called it in immediately. Clean up crews are still on the scene. At this time the source of the oil and the extent of the spill is unknown.

The incident remains under investigation, continue to follow for updates.
