

Patuxent Habitat For Humanity Celebrates The Completion Of The Women Build, Its 21st Home

Posted by [TBN\(Staff\)](#) On 07/15/2021

LEXINGTON PARK, Md. - Patuxent Habitat for Humanity has completed its 21st home. Welcome home Erica and Jevon! This home was a featured Women Build which was sponsored by WM Davis Inc. The groundbreaking for this build began 9 months ago, during the pandemic. We were not sure how we would be able to complete this home in a timely and affordable manner. W.M. Davis had already agreed to guide us through this process and they worked with our limited volunteers to bring this home to completion.

Erica and her family did complete the 250 sweat equity hours per HFHI rules. Erica will be paying an affordable 30 year mortgage, no interest loan. Our no interest affordable loans are possible because of volunteers, sponsors and donors. Their donations and hard work make the loan affordable and we pass that on to our homeowner by only charging what it cost us to build the home.

Patuxent Habitat for Humanity had such great community support from so many businesses, St. Mary's County Government, St. Mary's County Commissioners, PAX NAS, Andrews AFB, Coast Guard and Leadership Southern MD. We had a total of 1200 volunteer hours contributed to this build. WM Davis has been a generous supporter of the Habitat mission for over 17 years! If you would like more info or to volunteer please go www.patuxenthabitat.org or email laurie@patuxenthabitat.org.
