

Firefighters Responding To Super Salvage For Large Scrap Pile Fire

Posted by [TBN\(Staff\)](#) On 07/27/2021

UPDATE: As of 10:55 a.m., the fire is out, and crews are clearing the scene and returning to service. All units returned to service at 11:15 a.m.

UPDATE: The fire is under control as of 10:40 a.m., utilizing an excavator to move debris and hit hot spots.

CALIFORNIA, Md. - On July 27, at approximately at 9:00 a.m., firefighters responded to Super Salvage at 44459 St Andrews Church Road for fire involving large scrap pile.

Avoid the area, expect partial or complete road closure due to large number of apparatus on scene. Detours in place at Indian Bridge Road and Wildewood Parkway.

Crews are shuttling water from hydrant at public works building to the scene.
