**CLINTON, Md.** - The Collision Analysis and Reconstruction Unit is investigating a fatal pedestrian collision that occurred early Saturday morning in Clinton. Efforts are underway to identify the pedestrian so the family can be notified.

On October 16, 2021, at approximately 1:55 am, patrol officers responded to the 7800 block of Woodyard Road for a collision involving a pedestrian. The pedestrian was pronounced dead on the scene.

The preliminary investigation revealed the victim was in the roadway on Woodyard Road when struck by a car in the eastbound lanes. The driver of the car remained on scene. The driver was not injured. Preliminarily, it appears the victim was not in a crosswalk when struck.

Anyone with information that could help investigators is asked to call the Collision Analysis and Reconstruction Unit at 301-731-4422. Callers wishing to remain anonymous may call Crime Solvers at 1-866-411-TIPS (8477); online at [www.pgcrimesolvers.com](http://www.pgcrimesolvers.com) or the "P3 Tips" mobile app (search "P3 Tips" in the Apple Store or Google Play to download the app to your mobile device).
