

## Robber Breaks in but Forgets to Take Anything

Posted by [TBN](#) On 01/12/2007

A victim on Dresser Avenue in Prince Frederick advised DFC Todd A. Smith that two window panes in a louvered door of her home had been broken but nothing appeared to be missing from the home.

It occurred sometime between December 29 at 2:00 p.m. and December 30 at noon.

Smith will continue the investigation.
