On January 6 DFC James Wahlgren responded to an assault call to a victim on 9th Street in North Beach.

The victim stated that at around 11:52 that morning he was driving home along Md. Rt. 261 and observed a large group of bicyclists ahead of him. He turned onto 5th Street when he noticed that a portion of the group of cyclists in front of him had stopped and that another group of them had surrounded his car and were yelling.

The man advised that one of the bicyclists, a white male about 5'10" to 6' tall, 170 pounds, wearing a yellow and blue bicycle racing outfit punched him in the face by reaching through the open window.

The same suspect then put a gouge in the victim's vehicle with the handlebars of his bicycle. The entire group then rode off heading toward Anne Arundel County. The damage to the vehicle is estimated at \$600.

Anyone who observed the altercation or has other information is asked to contact DFC Wahlgren at 410-535-2800.
