Team members on a special operation assignment with St. Mary's County Sheriff's Office, along with Patrol Deputies responded to the area of Three Notch Road and St. Andrew's Church Road for the report of a vehicle, coming from Calvert County, refusing to stop.

The vehicle attempted to strike a Calvert County Deputy in the area of Kingston Creek Road.

The Suspect, Walter Michael Keene (Age 57 of Mechanicsville) entered St. Mary's County with only two (2) operational tires.

Further deflation devices were deployed at the intersection of Three Notch Road and St. Andrew's Church Road. The remaining tires were flattened and the vehicle stopped.

Keene, who was intoxicated, refused to exit the vehicle and a short struggle ensued before he was removed from the vehicle and placed into custody.

He was transported by Calvert County Deputies back to their jurisdiction. Additional charges in St. Mary's County are pending a State's Attorney's Office review.
