

## San Souci Crash Scene Sends Two Adults and a Child to Hospital

Posted by [petehurrey](#) On 11/19/2009

At approximately 9:27 on Thursday, Nov. 19, emergency units from Bay District, Lexington Park, Second District and Hollywood responded to the area of 22500 MacArthur Blvd. in California by the San Souci Plaza for a multi-vehicle accident.

Jeep Grand Cherokee was on MacArthur Blvd. heading toward 235 and the Toyota Rav4 was crossing from one shopping center to the other and , according to witnesses, pulled in front of the Jeep, which t-boned the Toyota. The collision ended up with at least one victim trapped. There was another report that one of the injured had trouble breathing. It took emergency workers approximately 10 minutes to free the entrapped victim.

Two drivers and a child were transported by ambulance to St. Mary's Hospital. An investigation into this accident is continuing.
