

MTA to implement changes to its commuter express bus routes

Posted by [TBN_Admin](#) On 10/28/2014

The Maryland Transit Administration (MTA), a division of the Maryland Department of Transportation, provides commuter express bus services to Washington D.C. on four (4) separate routes from three (3) park and ride lots in St. Mary's County. These lots are located in California near the St. Mary's County Regional Airport, Charlotte Hall and Golden Beach.

The routes are operated under a service contract with a private transportation provider. Two routes stop at the Charlotte Hall park and ride, two routes stop at Golden Beach park and ride and one route stops at California park and ride.

Routes 903, 905 and 909 will be renamed with new route patterns, effective November 1, 2014.

Route 705 - This route is a weekday express route which serves the Charlotte Hall park and ride lot in St. Mary's County and the Mattawoman-Beantown park and ride lot in Charles County to Washington D.C. from 4:15 am to 7:39 pm via MD 5.
