### Janis and Joni

Hello! Our names are Janis and Joni. We are very young and were born around August 15th, 2014.

We cost \$125 each or two for \$200. The price includes the combo testing for Aids and feline leukemia, spay, deworm, three distemper vaccines, microchip and if we are old enough when you adopt us, the rabies vaccine.

Right now we are too little for the rabies vaccine. We are silly, playful, happy kittens. We love our foster family but we need to find a home of our own. Feral Cat Rescue will be showing us at the Petco in California on most Saturdays and Sundays between 11 a.m. and 3:30 p.m. We hope to meet you soon.

For more information contact Diane Harris at [moonandhunt@hotmail.com](mailto:moonandhunt@hotmail.com) or call 301-475-5059.

Love always, Janis and Joni
