

Two transported from single-car accident

Posted by [Dick Myers](#) On 06/27/2015

Great Mills, MD -- St. Mary's County emergency dispatchers received a 911 call at approximately 12:22 a.m. June 27 indicating there had been a motor vehicle accident on Indian Bridge Road in Great Mills.

Upon arrival, units found one vehicle resting about 20 yards into a field. According to witnesses on the scene, the preliminary investigation indicated that the driver was using excessive speed, lost control of their vehicle, attempted to correct, and over corrected causing their vehicle to slide sideways, brush an electrical pole, and roll several times before coming to rest on its wheels in the field.

Two patients were transported by ambulance to MedStar St. Mary's Hospital.
