Posted by [TBN News](#) On 07/06/2015

The 2015 Charles County Early Childhood Day event connects parents, caregivers, and early childhood professionals to resources and activities to help children get a jump start on education. The rain or shine event takes place on Saturday, Aug. 8 from 10 a.m. to 1 p.m. at the Capital Clubhouse (3033 Waldorf Marketplace, Waldorf).

With a "back-to-school" theme, Early Childhood Day brings child care providers, early learning experts, and organizations that work with children and families together in Charles County. The Charles County Sheriff's Office will teach kids about safety, My Gym's Children's Center will offer physical fitness activities, Charles County Public Library will have reading activities, and the Center for Children will offer developmental screenings. Face painting, balloons, music, games, rock climbing, backpacks, door prizes, storytellers, and storybook characters are just a few of the kid-friendly options available.

Early childhood matters in Charles County. The Early Childhood Advisory Council's mission is that all Charles County children, age newborn through five, enter school ready to learn.
