Prince Frederick, MD - Jace is one of 5 pups found in an abandoned building in Halifax, VA. He is said to be "curious, a little shy but coming around quickly, hardy and sensitive" by his foster dad.

If interested in Jace or one of the four other pups, please email cawl@comcast.net or stop by Calvert Animal Welfare League (CAWL) at 1040 Prince Frederick Blvd, Prince Frederick, MD 20678, during our open adoption hours Friday - Sunday from 11:00 a.m. until 3:00 p.m.

CAWL PUPPY REQUIREMENTS APPLY:

- Puppies will not be crated long hours each day (over 6).
- We prefer puppies to go to homes with older children (over 8 yrs).
- We require that you use a crate when the puppy is being housebroken and trained.
- We only adopt our animals as inside pets, let outside to go potty and play on nice days. We want our animals to be part of their new family.
- Once you pick a puppy that you like, you will need to fill out an adoption application. Multiple applications on a Puppy may be accepted.
- An application does not guarantee you will get the puppy selected.
- We will do a house visit and you will need to sign a contract.
- If the puppy is to be a second pet, we will "test" the puppy in your home for compatibility with the pets you already have.

ADOPTION FEE FOR PUPPIES IS \$250.

All pups are spayed/neutered, current on vaccinations, microchipped and wormed.
