ARIES: You don't have to work alone, Aries. Life is not an individual sport., and to live fully you have to participate. And this involves interacting with other people. Today will be an exercise in confidence. if you want to participate in life or not, outside events will lead you in a direction that you can't predict nor imagine.

TAURUS: When you have found your path, you naturally want to start walking down it. But the reverse isn't true despite what you want to believe. It's a waste of time to learn how to walk when you don't know which path to walk upon. This may seem a little obscure to you, and yet it's true. Desire is what creates aptitude, not the reverse.

GEMINI: The stars are encouraging you to open up to your world, culture, and thought processes, Gemini. You don't have to go alone into the desert to reinvent everything. For you, this would be the easy way out, because it would allow you to hide! Develop your curiosity about what exists in this society, and your opinion will carry weight later on.

CANCER: You're focused today, Cancer! Being so calm and collected, the mood is hospitable to sobriety, reasonableness, and hard work. With the horizon clear, you have all the information you require to navigate your sea of life. All you need is a little more faith and courage. And if you don't succeed today, you'll have no one to blame but yourself.

LEO: Today, Leo, you can let out the secrets that have been troubling you. You may be seething with anger inside, afraid to let it show for fear it may explode on contact. Or you may be steaming with a hidden passion for someone special. The head will rule the heart today, and your mind will be unclouded by any emotional haze. Take advantage of it.

VIRGO: With your mind in turmoil, no wonder you cannot pay attention to anything, Virgo. It's as though your concept of the world has been forever changed. You see your love life and career with new eyes. Even so, you feel compelled to pick up the pieces of the past and save them. The days ahead should help you let go of the old world.

LIBRA: Today will be quiet for you, Libra. You're likely to strap yourself to a task and continue working on it until the late hours. But if anyone tries to persuade you to take a break, it isn't difficult to stop. Resist the temptation, follow your instincts, keep your head down, and focus on the task at hand.

SCORPIO: Use today to think about your professional future, Scorpio. Many forces seem to be working together to clarify ideas. Rather than rebelling at the slightest provocation, it would be much more reasonable for you to think first about the basic material needs of you and your family.

SAGITTARIUS: Today is no day for dreaming, Sagittarius. You can expect to have to settle a number of minor communication problems. It'll be quite a day, but at least your mind will be occupied, leaving no room for the difficult questions that have been bothering you lately.

CAPRICORN: Are there obstacles in your way, Capricorn? Could it be that you simply need to allot yourself more time to complete the tasks you take on? This might be difficult for you to tolerate. You don't know how to deal with times like these when you must continue doing the same thing over and over until you get results. There's a lesson here for you. Remember that patience is a virtue.

AQUARIUS: Are you having some problems with authority, Aquarius? Are you having a hard time being understood? If so, have you thought about explaining your projects in detail to people you hope to adventure with? You can't expect others to follow you blindly. They also have lives to live, and their own priorities.

PISCES: Your projects have taken some time to get set up because you haven't been concentrating hard enough, Pisces. You are multitasking, and things have been moving slower than expected. Your change in orientation requires you to focus your energy in a single direction, which direction should you take?
