Calvert County Emergency Management Division to Test Alert and Notification System Sirens July 5

The Calvert County Department of Public Safety, Emergency Management Division, will conduct a full-cycle test of the alert and notification sirens throughout Calvert, St. Mary's and Dorchester counties on Tuesday, July 5, 2016, at noon.

The full-cycle test includes a three-minute activation of all sirens within the 10-mile area around Calvert Cliffs Nuclear Power Plant. All citizens are asked to remember the scheduled testing and relay the information to friends, family and neighbors.

The testing is conducted to check siren operation and increase public awareness of the alert and notification siren system. If the sirens sound at any other time, residents should tune to one of the local radio stations listed below for information and instructions.

Emergency Alert System stations include:
