

## Sobriety checkpoint tonight

Posted by [MJ Brickey](#) On 08/25/2016

The Maryland State Police Leonardtown Barrack will be hosting a sobriety checkpoint tomorrow night, August 26, 2016, in St. Mary's County.

This event will focus on both drug and/or alcohol impaired drivers in the hope of reducing the impact of impaired drivers and impaired-related crashes.

Drivers are reminded there are many alternatives to driving buzzed or under the influence. Call a friend, relative, cab, or Uber. Please don't drink and drive.
