13 international students are returning to the program from China, Lithuania and South Korea.

SMR is a private school committed to providing a highly competitive, yet affordable college preparatory education to students in Southern Maryland. Over their four years at SMR, students grow in a mentoring and caring environment that fosters opportunities for each student to develop individual gifts and talents, and prepares them to become role models and leaders in their communities.

The years a student spends at SMR are marked not only by a challenging college preparatory program, but also by rewarding opportunities for service, the forming of lifelong friendships, and the camaraderie of being part

The 87-acre campus on Breton Bay in Leonardtown, Maryland, is similar to a small college, with four academic buildings, a cafeteria, several athletic fields, tennis courts and a stadium with a six-lane track. For more information about SMR visit [www.smrhs.org](http://www.smrhs.org).
