While supplies last

William said, "I worked for the Department of Defense for years and needed a career change. The previous shop owner, Bea Tatlow was my neighbor growing up and heard it was for sale from my parents." Since November 2003, Williams and the staff of Towne Florists have helped thousands of people and local businesses find the right variety of flowers to show how they truly feel. "Some clients have been with us for many years, like St. Joseph's Catholic Church located in Morganza, and the Hollywood Volunteer Fire Department in Hollywood. Towne Florist arranged the flowers for the recent installation ceremony of officers for the Hollywood Volunteer Fire Department" said Williams.

The floral designers and sales associates at Towne Florist work hard to meet all requests in a timely fashion. Towne Florist offers hand-arrangements in vases, potted plants, flower basket, gift items, grab and go items with candy or stuffed animals. "Customers can call for delivery within 24-hours or come by and one of the sales associates will gladly assist you. We are open Monday to Friday from 8 to 5 p.m. and Saturday from 8 to Noon," said Williams.

Keeping designs new and fresh is always the goal of Towne Florist. Valentine's Day is one of the busiest days of the year for Towne Florist and Williams told TheBayNet.com they will start accepting orders Wednesday, Feb. 1. They will offer Valentine's Day specials from \$20 and up, she said. "Flowers can be ordered in person, online or on our website at www.TowneFlorist.net, and we are always offering promotions during special holidays. Our goal is to do the best job possible while helping people through special moments," said Williams.

Towne Florist is located at 41600 Fenwick Street in Leonardtown, MD, and the phone number is 301-475-2551. They are a member of the St. Mary's County Chamber of Commerce and the Leonardtown Business Association.
