VanGo Transit Seeks Public Input for Community Transportation Survey

Posted by TBNDavid On 06/08/2017

The Charles County public transportation provider, VanGo, encourages the public to take an online survey regarding public bus transportation needs and services in Charles County. The survey is available online at www.surveymonkey.com/r/VanGoPublic. Surveys need to be completed by June 30, 2017.

In addition to the public opinion survey, a rider survey has been conducted aboard the buses in May. These surveys are part of the data collection effort for a Transit Development Plan (TDP) that is currently underway for VanGo. The purpose of the transit planning study is to develop a five-year plan to maintain and improve public transportation services in the region. The TDP is being conducted by the KFH Group, a consulting firm that specializes in the transit industry, with funding assistance through the Maryland Transit Administration.

VanGo provides public transportation to Charles County residents and visitors. For more information about VanGo, visit www.go-vango.com, or call VanGo at 301-645-0642. For information about the VanGo survey, contact Jeff Barnett at 301-934-0102 or BarnettJ@CharlesCountyMD.gov. Citizens with special needs may contact the Maryland Relay Service at 711, or Relay Service TDD: 800-735-2258.
