**NASHVILLE, Tenn.** – Nissan today announced U.S. pricing for the 2017 TITAN King Cab and TITAN XD King Cab models, which are on sale now at Nissan dealers nationwide. The new King Cab body configuration is available in half-ton and XD versions with a standard 6.5-foot bed length. It is offered in 4x4 and 4x2 drive and three grade levels – S, SV and PRO-4X (4x4 only).

The new King Cab is marked by its available 6-person seating, wide-opening rear doors and available first-in-segment "rear seat delete" option ideal for commercial use with its flat floor and secure in-cab storage space.

The new King Cab joins the previously available Crew Cab and Single Cab body styles, which along with a choice of 5.6-liter Endurance® V8 engine or powerful Cummins® 5.0L V8 Turbo Diesel gives Nissan's full-size pickup the widest model lineup ever.

The new King Cab, like all 2017 TITAN and TITAN XD models, is covered by Nissan's "America's Best Truck Warranty"<sup>2</sup> – featuring bumper-to-bumper coverage of 5 years/100,000 miles, whichever comes first. Vehicles covered by the new warranty, which includes basic and powertrain coverage, include both V8 gasoline and diesel powered models.

The half-ton TITAN King Cab is offered in 4x4 and 4x2 drive and three grade levels – S, SV and PRO-4X – each equipped with a standard 390-horsepower 5.6-liter Endurance® V8 engine and 7-speed automatic transmission. TITAN King Cab offers an available maximum towing capacity of 9,420 pounds and maximum payload capacity of 1,640 pounds when properly equipped.
