Hughesville, MD—Are you looking for a new furry friend to add to your family? Look no further than Tri-County Animal Shelter! Dogs, cats, rabbits, pigs and more—you are sure to find your new best friend behind their doors. This week, a lovable pet we'd like to highlight from Tri-County is Boogs.

Looking for the perfect sidekick? Meet Boogs! He's only seven months-old and has lived with other cats. In fact, he was turned in because they just had too many! Boogs is shy at the shelter, but once he gets a home he is sure to be your best bud. He loves chasing a laser pointer, and is convinced that someday he'll catch it. Boogs could be the one for you! Come visit him! Cat adoptions this month are only \$20.18.

Visit the Tri-County Animal Shelter (6707 Animal Shelter Road, Hughesville), or call 301-932-1713 for more information. To see more animals available for adoption, view the shelter's [Facebook page](#).
