Hughesville, MD—Are you looking for a new furry friend to add to your family? Look no further than Tri-County Animal Shelter! Dogs, cats, rabbits, pigs, and more—you are sure to find your new best friend behind their doors. This week, a lovable pet we'd like to highlight from Tri-County is Addy.

Addy is a four-year-old female hound mix. She is a sweet, affectionate pup who loves exploring, getting belly rubs, and giving kisses. She is very smart and would be GREAT at nose work since she LOVES to sniff everything! Come meet her at Tri-County Animal Shelter! Adopt Addy today!

Visit the Tri-County Animal Shelter (6707 Animal Shelter Road, Hughesville), or call 301-932-1713 for more information. To see more animals available for adoption, view the shelter's [Facebook page](#).
