TheBayNet's Dog Days Photo Contest

At TheBayNet.com we are celebrating our furry best friends throughout the month of August with a photo contest. We are asking our users to submit their favorite picture of their dog(s) by e-mailing contests@thebaynet.com and entering the subject "Dog Days". Photos can also be submitted via our Facebook page.

Your photo will be added to a gallery which will be updated every few days and pinned to this page. Toward the end of August, TheBayNet staff will choose our favorites who will become the finalists. The finalists' photos will be voted on by TheBayNet readers. The winners will receive fabulous prizes from local pet businesses!

We can't wait to see your dogs and thank you for your participation in this contest!
