**CALIFORNIA, Md.** - At 9:45 a.m. the Bay District Volunteer Fire Department (Station 9) was alerted for the vehicle fire on Patuxent Beach Road in the area of Kingston Creek Road.

Engine 91 responded along with Chief 9B. While en-route, units were advised the corrected address was going to be Rt 4 and Louis Way.

Units arrived to find a pick up truck with the engine compartment well off. Engine 91 made quick work of the fire and returned to service.
