To my constituents:

I am humbled by the opportunity to represent you in Annapolis am grateful for the chance to serve you for the next four years. Thank you for all of your support. You inspire me to push myself to do everything I can for this community.

Since the election, I have tirelessly worked to prepare for the upcoming legislative session. I equate this transition period to studying for the bar exam and I remain focused on learning procedures, studying upcoming bills, continually meeting with constituents and building relationships.

I look forward to working with your State Senator, Jack Bailey. Senator Bailey and I are committed to delivering the best for St. Mary's, and I am proud of our good working relationship. If we want to change the partisan politics that are so prevalent in our government, we need to set the example. I promised all of you I would work with anyone, from either side of the aisle, to deliver tangible results for our district, and that is what I intend to do.

While we are a mighty County, many challenges face our community, including traffic, the expansion of the higher education center, affordable housing, equitable internet access, and retention of the millennial workforce. It is going to take all of us, collectively, to tackle these problems. I look forward to working with all of my peers in Annapolis, our federal elected officials, our County Commissioners, and most importantly- you. Together, I am confident we will find practical solutions to our complex problems and chart a course for a better future.

Again, thank you for this incredible opportunity to represent you in Annapolis! Rangers Lead The Way!

Brian
