

Senator Cardin Visits St. Mary's County

Posted by [MJ](#) On 06/28/2019

Friday, June 14th, Senator Cardin made a visit to TechPort to discuss economic development priorities and county infrastructure.

During his visit, he was briefed by the St. Mary's County Economic Development Department on the Airport Innovation District Plans among other projects within the county.

TechPort Clients informed Senator Cardin of their businesses and product stages as well as challenges they faced.

Senator Cardin, then, held a round table discussion with elected officials to listen to challenges the county is facing as a whole and where his office may be of assistance.
