

## Emergency roadwork will close lane

Posted by [Cyn](#) On 08/01/2019

**Hyattsville, MD** -- Recent rains have eroded a section of the roadside slope along on Eastbound MD 410 (Veterans Parkway) in Prince George's County requiring emergency repairs.

The work will begin on Monday, Monday, August 5. The Maryland Department of Transportation State Highway Administration will close a single lane eastbound MD 410 (Veterans Parkway) between Pennsy Drive and the US 50 (John Hanson Highway) interchange in Hyattsville.

MDOT advises motorists to plan for extra drive time during the repairs.
