

Breezy Point Beach & Campground Facebook Page Launched

Posted by [TBN\(Staff\)](#) On 08/10/2019

Prince Frederick, MD – August 11, 2019 – In an effort to keep citizens informed with real-time updates about Breezy Point Beach & Campground, the Calvert County Department of Parks & Recreation has launched a Breezy Point Facebook page. Citizens can visit www.Facebook.com/BreezyPointBeachPark to learn about beach closures, updated or changing rules, camping information, special events and more.

Since Calvert County began operating Breezy Point Beach & Campground in 1995, the park has seen a considerable increase in the number of visitors and the Department of Parks & Recreation recognized the need to provide citizens with information more quickly.

Breezy Point Beach and Campground is a favorite bay-front park featuring swimming, fishing, picnicking and camping. It is a popular getaway for day trips, a weekend away or a weeklong escape. The park is open daily May 1 through Oct. 31, 6 a.m. to dusk.

For updates on Calvert County Parks & Recreation services, park availability, field closures and more visit Parks & Recreation at www.Facebook.com/CalvertCountyParks. Information on Calvert County Government services can be found online at www.CalvertCountyMd.gov. Stay up to date with Calvert County Government on Facebook.
