

Firefighters battle vehicle blaze in Leonardtown

Posted by [Cyn](#) On 08/12/2019

Leonardtown, MD -- Firefighters extinguished a vehicle fire at the Leonardtown Burchmart on Monday afternoon.

As you can see from this picture posted on the Leonardtown Volunteer Fire Department Auxillary's Facebook page, it looks like the flames broke out in the back of a truck.

The Leonardtown and Hollywood Volunteer Fire Departments worked together to quickly get the fire under control. No word yet on how it started.
